

CALIFORNIA CITY OFF-HIGHWAY VEHICLE PERMITS & SERVICE PASSES

As of March 4, 2008 the City of California City enacted a fee to support Off-Highway Recreation within California City. The fee would be used exclusively to meet OHV Recreation operating expenses, emergency crews stationed in the OHV riding area, replenish supplies and fuel used in emergency responses in the OHV riding area, purchase or lease equipment to be used to support OHV recreation and/or emergency responses in the OHV riding area, and for capital improvement projects necessary to maintain service within the existing service areas.

FEE SCHEDULE

The Fee Schedule will be adopted by the City Council and reviewed periodically. The permits will be issued in 1-Year increments and valid from July to June the following year.

(PERMITS & PASSES VALID TO JUNE 2011)

Street Operating Permit **\$ 10.00 / Year**

A single *Street Operating Permit* will entitle the operator of the assigned *permitted vehicle* to operate the Off-Highway Vehicle on dirt City roadways within the designated OHV Permit Riding Area.
